7/8/2025	Darlene Carmickle	Email	How can I get more info about this project so that I can add public comments? What is going on in this area? Is something going to be developed on the land?	The Land Bank responded via email on 7/8 providing background on the environmental work done to date, the Analysis of Brownfields Cleanup Alternatives (ABCA) public comment period, the upcoming community meeting on 7/26, and contact information for the Site Readiness for Good Jobs Fund (SRF) to learn more about redevelopment plans.
7/26/2025		Public Meeting	How were the depths of soil excavation for cleanup determined?	The excavation depths are dependent on where contamination lies within the soil. This was determined via Phase II soil boring sampling and analysis.
7/26/2025		Public Meeting	Will there be apartments built on this site?	The SRF is planning a commercial or industrial end use.
