The Series 2010 Bonds may be subject to redemption at the option of the Corporation in accordance with the terms and conditions set forth in the Certificate of Award and in the Indenture; provided that the redemption price for the earliest optional redemption date shall not be greater than 102%; and provided further, however, that the Certificate of Award and the Indenture may provide that the Series 2010 Bonds are not optionally redeemable prior to maturity if it is determined in the Certificate of Award that such optional redemption would adversely affect the ability of the Corporation to sell the Series 2010 Bonds at rates of interest acceptable to the Corporation based on current market conditions.

(iii) Extraordinary Mandatory Redemption. The Series 2010 Bonds shall be subject to extraordinary mandatory redemption, in whole or in part (in whole multiples of $5,000), on June 1, 2011 and every Interest Payment Date thereafter, at a redemption price equal to 100% of the principal amount redeemed, plus any interest accrued to the
redemption date, in the event that a portion of the proceeds of the Series 2010A Bonds are expended in a manner that results in private business use, and, in the opinion of nationally recognized bond counsel, is necessary to preserve the tax exempt status of the Series 2010 Bonds.

Section 5. Sale of Series 2010 Bonds.

(a) General. The Series 2010 Bonds shall be awarded and sold to the Original Purchaser, in accordance with the Purchase Agreement and the Certificate of Award, at a purchase price of not less than ninety-seven percent (97%) of the aggregate principal amount of Series 2010 Bonds.

(b) Purchase Agreement. The President and the Director of Finance are authorized and directed to execute and deliver the Purchase Agreement between the Corporation and the Original Purchaser, which may consist of a separate Purchase Agreement for each Series of the Series 2010 Bonds, substantially in the form submitted to and approved by the officers executing the same on behalf of the Corporation, which Purchase Agreement shall reflect the terms and provisions of the Series 2010 Bonds herein and in the Certificate of Award set forth and hereby authorized and as are not inconsistent with the Indenture and this Series 2010 Bond Resolution and not substantially adverse to the Corporation as may be approved by the officers executing the same on behalf of the Corporation. The approval of such Purchase Agreement by such officers and the determination by such officers that no such change is substantially adverse to the Corporation shall be evidenced by the execution of the Purchase Agreement by such officers. The price for and terms of the Series 2010 Bonds and the sale thereof, all as provided in this Series 2010 Bond Resolution, the Purchase Agreement, and the Certificate of Award are hereby approved and determined to be in the best interests of the Corporation.

(c) Certificate of Award. Such sale and award shall be further evidenced by the Certificate of Award that may be executed by the President or the Director of Finance, and the Certificate of Award may consist of a separate Certificate of Award for each Series of the Series 2010 Bonds. The Certificate of Award shall, subject to the restrictions set forth herein, state the aggregate principal amount of the Series 2010 Bonds, the Purchase Price, the Interest Rates, the Principal Payment Dates (specifying any Serial Maturity Dates, Term Maturity Dates, and Mandatory Redemption Dates), and the sinking fund installments (if any). The Certificate of Award may also specify any additional information that may be required or permitted to be specified therein by this Series 2010 Bond Resolution and the Purchase Agreement. Before the President or the Director of Finance executes the Certificate of Award, the Director of Finance shall have determined that the Corporation’s issuance and sale of the Series 2010 Bonds are on the terms set forth in the Certificate of Award.

(d) Certificates. The President, the Director of Finance and the Legal Officer are authorized and directed in their official capacities, and only in those capacities, to execute and deliver to the Original Purchaser any certificates required by the Purchase Agreement, this Series 2010 Bond Resolution or the Certificate of Award to be executed on behalf of the Corporation.

(e) Delivery of Bonds. The President, the Director of Finance and the Legal Officer are authorized and directed to make the necessary arrangements with the Original Purchaser to establish the date, location, procedure and conditions for the delivery of the Series 2010 Bonds to the Original Purchaser. The President, the Director of Finance and the Legal Officer are further authorized and directed to make the necessary arrangements for the printing of the Series 2010 Bonds and the execution, authentication and delivery of the Series 2010 Bonds to or on the order of the Original Purchaser in accordance with this Series 2010 Bond Resolution and the Indenture and, upon the receipt of payment of the Purchase Price, to cause such amount to be applied in accordance with the terms and provisions of this Series 2010 Bond Resolution and the Indenture.
Section 6. **Application of Proceeds of Series 2010 Bonds; Tax Covenants.**

(a) **Application of Proceeds.** The proceeds from the sale of the Series 2010 Bonds, including any accrued interest, shall be allocated, deposited and credited as follows:

(i) to the Interest Payment Account of the Bond Fund, any accrued interest paid by the Original Purchaser;

(ii) to the Bond Reserve Fund, an amount equal to the Bond Reserve Requirement;

(iii) to the Program Fund, the balance of the proceeds of the sale of the Series 2010 Bonds.

In furtherance of the transactions contemplated by this Series 2010 Resolution, this Board hereby authorizes Issuance Costs to be paid from the proceeds of the Series 2010 Bonds in accordance with the procedures described in the Indenture for the payment of the Costs of the Program.

(b) **Tax Covenants.** The Corporation covenants that it will use, and will restrict the use and investment of, the proceeds of the Series 2010 Bonds in such manner and to such extent as may be necessary so that (i) the Series 2010 Bonds will not (A) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (B) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (ii) the interest on the Series 2010 Bonds will not be an item of tax preference under Section 57 of the Code.

The Corporation further covenants that (i) it will take or cause to be taken such actions that may be required of it for the interest on the Series 2010 Bonds to be and to remain excluded from gross income for federal income tax purposes, (ii) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (iii) it, or persons acting for it, will, among other acts of compliance, (A) apply the proceeds of the Series 2010 Bonds to the governmental purpose of the borrowing, (B) restrict the yield on investment property, (C) make timely and adequate payments to the federal government, (D) maintain books and records and make calculations and reports and (E) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

Section 7. **Security for the Series 2010 Bonds.** The payment of Bond Service Charges on the Series 2010 Bonds shall be secured (i) by a pledge and assignment of and a lien on (A) the Special Funds, (B) the Pledged Receipts, and (C) any other funds and moneys that may be subject to the pledge of the Indenture by subsequent action of the Corporation, provided, however, that any pledge or assignment of or lien on any fund, account, receivables, revenues, money or other intangible property not in the custody of the Trustee shall be valid and enforceable only to the extent permitted by law, and (ii) by the Indenture.

The Corporation covenants that it will promptly pay from such sources the Bond Service Charges on every Bond issued under the provisions of the Indenture at the places, on the dates and in the manner provided in the Indenture in the Series 2010 Bonds, according to the true intent and meaning thereof.

Nothing in this Series 2010 Bond Resolution, the Bonds or the Indenture shall constitute a general obligation, debt or bonded indebtedness of the Corporation or the County; neither the general resources of the Corporation or the County shall be required to be used, nor the general credit of the Corporation or the general credit or taxing power of the County pledged, for the performance of any duty under this Series 2010 Bond Resolution, the Bonds or the Indenture; and further, nothing therein or herein gives the Holders of Bonds, and they do not have, the right to have excises or taxes levied by the County, or by the State or the taxing authority of any other political subdivision, for the payment of Bond
Service Charges on the Bonds, but the Bonds are payable solely from the Pledged Receipts and the Special Funds, as provided herein, and each Bond shall contain a statement to that effect; provided, however, that nothing in this Series 2010 Bond Resolution shall be deemed to prohibit the Corporation, of its own volition, from using to the extent it is lawfully authorized to do so, any other resources or revenues for the fulfillment of any of the terms, conditions or obligations of the Indenture, this Series 2010 Bond Resolution or the Bonds.

Section 8. Indenture, Treasury Agreement and Other Documents. In connection with the issuance of the Series 2010 Bonds, the President and the Director of Finance shall execute, acknowledge and deliver, in the name of and on behalf of the Corporation, the Indenture in substantially the form submitted to this Board at or prior to this meeting with such changes therein that are not materially inconsistent with this Series 2010 Bond Resolution and not adverse to the Corporation and shall be approved by the officers signing the Indenture. The approval of those changes, and that such changes are not materially inconsistent with this Series 2010 Bond Resolution and not adverse to the Corporation, shall be conclusively evidenced by the signing and delivery of the Indenture.

The President or the Chair of the Board is authorized to execute and deliver, on behalf of the Corporation, the Treasury Agreement in substantially the form submitted to and approved by the officer executing the same on behalf of the Corporation with such provisions therein that are not materially inconsistent with this Series 2010 Bond Resolution and not adverse to the Corporation and shall be approved by the officers signing the Indenture. The approval of the Treasury Agreement, and that such agreement is not materially inconsistent with this Series 2010 Bond Resolution and not adverse to the Corporation, shall be conclusively evidenced by the signing and delivery of such Treasury Agreement.

The President, the Director of Finance, the Legal Officer and any other member, officer or employee of the Corporation are each authorized to execute and deliver, on behalf of the Corporation, any notices, certifications, financing statements and such other certificates, documents and instruments as are necessary in connection with the transactions authorized in this Series 2010 Bond Resolution, and to do all other things required of them or the Corporation pursuant to the Indenture and this Series 2010 Bond Resolution.

Section 9. Official Statements and Continuing Disclosure Agreement.

(a) Official Statement. If the Series 2010 Bonds, or any single Series thereof, are to be publicly offered, the Corporation shall cause to be prepared and issued, on behalf of the Corporation, a preliminary and a final official statement (the “Official Statement”) relating to the original issuance of the Series 2010 Bonds of such Series. The President and the Director of Finance are authorized to execute and distribute the Official Statement on behalf of the Corporation, which shall be in substantially the form submitted to and approved by the officers executing the same on behalf of the Corporation, with such provisions as are necessary to reflect the terms and provisions of the Series 2010 Bonds hereby authorized and as are not inconsistent with this Series 2010 Bond Resolution and not substantially adverse to the Corporation. The execution thereof on behalf of the Corporation by the President and the Director of Finance shall be conclusive evidence of such authorization and approval, and copies thereof are hereby authorized to be prepared and furnished to the Original Purchaser for distribution to prospective purchasers of the Series 2010 Bonds and other interested persons. The preliminary Official Statement shall be “deemed final” by the Corporation within the meaning of the Rule, subject to completion as provided below.

The distribution, by the Corporation and by the Original Purchaser, of the preliminary Official Statement and the Official Statement, in such form and with any changes as may be approved in writing by the President and the Director of Finance (such approval being evidenced by the signature of the President and the Director of Finance on at least one counterpart of the preliminary Official Statement and the Official Statement) are hereby authorized and approved.
The President and the Director of Finance of the Corporation shall make sufficient copies of the Official Statement, with any supplements, available to the Original Purchaser to enable them to fulfill legal requirements for the delivery thereof in connection with the sale of the Series 2010 Bonds and shall provide copies as appropriate to designated nationally recognized municipal securities information repositories.

The President, the Director of Finance and the Legal Officer on behalf of the Corporation are each hereby authorized to furnish such information, to execute such instruments and to take such other action in cooperation with the Original Purchaser as may be reasonably requested to qualify the Series 2010 Bonds for offer and sale under the Blue Sky or other securities laws and regulations and to determine their eligibility for investment under the laws and regulations of such states and other jurisdictions of the United States of America as may be designated by the Original Purchaser; provided, however, that the Corporation shall not be required to register as a dealer or broker in any such state or jurisdiction or become subject to the service of process in any jurisdiction in which the Corporation is not now subject to such service.

(b) Continuing Disclosure. If deemed necessary and requested by the Original Purchaser, the Corporation shall agree, as the only obligated person with respect to the Series 2010 Bonds under the Rule, to provide or cause to be provided such financial information and operating data, financial statements and notices, in such manner, as may be required for purposes of paragraph (b)(5) of the Rule. In order to describe and specify certain terms of the Corporation’s continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the President or the Director of Finance is authorized to sign and deliver, in the name and on behalf of the Corporation, such determination shall be set forth in the Certificate of Award, and the Continuing Disclosure Agreement substantially in the form submitted to and approved by the such officers executing the Continuing Disclosure Agreement as is consistent with this Series 2010 Bond Resolution. The approval of the Continuing Disclosure Agreement shall be conclusively evidenced by the execution of the Continuing Disclosure Agreement by the President or the Director of Finance. The agreement formed, collectively, by this paragraph and that agreement, shall be the Corporation’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the Corporation would be required to incur to perform it.

The President or the Director of Finance is further authorized and directed to establish procedures in order to ensure compliance by the Corporation with its continuing disclosure agreement, including timely provision of information and notices. Prior to making any filing in accordance with that agreement or providing notice of the occurrence of any other events, the responsible Corporation officer shall consult with and obtain legal advice from, as appropriate, the Legal Officer and bond or other qualified independent special counsel selected by the Corporation. That Corporation officer, acting in the name and on behalf of the Corporation, shall be entitled to rely upon any such legal advice in determining whether a filing should be made.

Section 10. Prepayment. If agreed to by the Original Purchaser, the Series 2010 Bonds may be subject to prepayment prior to maturity, up to $1,000,000 annually. Any Series 2010 Bonds that are subject to prepayment shall be paid on December 1 of each year, from excess Pledged Receipts, provided that the Supplemental Reserve Fund Requirement is met.

Section 11. Multiple Series. Notwithstanding anything herein to the contrary, if, in the judgment of the officer or officers who execute the Certificate of Award, it is in the best interest of and financially advantageous to the Corporation to do so, the Corporation may issue the Series 2010 Bonds in one or more separate Series, each bearing a distinctive designation (which may refer to a year of issuance other than 2010), provided that the Series 2010 Bonds of each Series, and the Series 2010 Bonds of all Series in the aggregate, must satisfy the requirements and comply with the restrictions of this Series 2010 Bond Resolution and the Indenture. Separate Series of Series 2010 Bonds may be issued at the same or different times and so may have different dates of issuance. The Series 2010 Bonds of each Series shall
be designated as provided in the applicable Certificate of Award. A separate Certificate of Award may be delivered for each Series, and each reference in this Series 2010 Bond Resolution to the Certificate of Award shall refer to each and all such Certificates of Award. A separate Indenture may be entered into for each series, and each reference in this Series 2010 Bond Resolution to the Indenture shall refer to each and all such Indentures, but any indenture subsequent to the Indenture may bear a different designation. A separate Purchase Agreement and Continuing Disclosure Agreement may be entered into for each Series, and each reference in this Series 2010 Bond Resolution to the Purchase Agreement or to the Continuing Disclosure Agreement shall refer to each and all such Purchase Agreements or Continuing Disclosure Agreements, respectively. A separate Official Statement may be prepared for each Series, and each reference in this Series 2010 Bond Resolution to the Official Statement shall refer to each and all such Official Statements.

Section 12. Bond Counsel. This Board hereby retains the legal services of Squire, Sanders & Dempsey L.L.P., as Bond Counsel, in connection with the authorization, sale, issuance and delivery of the Series 2010 Bonds. In providing those legal services, as an independent contractor and in an attorney-client relationship, Bond Counsel shall not exercise any administrative discretion on behalf of the County in the formulation of policy, expenditure of funds, rules and regulations of the State, or of the County, or of any other political subdivision of the State, or the execution of public trusts.

Section 13. General. The appropriate officers and employees of the Corporation will do all things necessary and proper to implement and carry out the orders and agreements set forth in or approved in this Series 2010 Bond Resolution for the proper fulfillment of the purposes thereof. The Director of Finance of the Corporation shall furnish to the Original Purchaser of the Series 2010 Bonds a true and certified transcript of all proceedings had with reference to the authorization and issuance of the Series 2010 Bonds along with other information as is necessary or proper with respect to the Series 2010 Bonds.

Section 14. Compliance with Law. It is found and determined that all formal actions of this Board concerning and relating to the adoption of this Series 2010 Bond Resolution were adopted in an open meeting of this Board, and that all deliberations of this Board and of any of its committees that resulted in such formal actions were in meetings open to the public in compliance with the laws of the State.
